

"Classic Christianity" was a God-send the day I found it at, of all places, a garage sale for 25 cents! I was so excited after looking over the book. I did not know who Bob George was at the time and saw he was from the Dallas and the book was on Grace. I thought I found a treasure for sure. Reading this treasure open my eyes why all the years of struggle I had with the church. I had read Joseph Prince's book "Destined to Reign" my first eye-opener to the Gospel of Grace for me and Bob George's book put it all together. I like what he says "Life's Too Short To Miss the Real Thing", and I had spent 37 years striving to be accepted and to please God. I am His Beloved!! It is not what I do but what Jesus did . It is finished!!! Think about all the junk you buy for a quarter at garage sales and never think about again. Not this quarter, not this day!
