

I simply must tell you a story about myself. I was going through a time in my life where I had no one to turn to. I thought I had failed God. My marriage had failed and I wanted to die but was so afraid of what would happen to my soul. One very depressing day I came across your book in a lounge area where I work. My job title is Group Leader Custodian and normally I would only have looked inside the book to find an address or name in order to return it. This day was different. The pages in it spoke to my aching heart in a way nothing else could. Classic Christianity gave me a hope and a future

. I have bought several more and passed them out to others who would benefit from reading it.

I just want to thank you with all my heart for your service to God's ministry!
