

Thank you Bob! I was rescued in 1994 by the radio ministry when PTP was on in St. Louis. I had been a "Green Beret" Christian in a local ministry for 11 years. 4 meetings a week, witnessing, prayer, memorizing scripture-- good stuff but all with tiring fruits and endless tasks- Thanks for the cool drink your ministry allowed me to drink- from the river of Life. I am so blessed. I have been a cheerful and grateful supporter ever since! (even though you had to leave St Louis. I love you guys. Thank God for your faithfulness. Vince in Missouri
